MISSION

....THE SOUND OF POWER

Dal 1961 il nostro impegno è stato quello di sviluppare e proporre impianti di scarico ad alte prestazioni per le vetture italiane più prestigiose.

Siamo orgogliosi di aver collaborato con i tecnici più preparati ed appassionati.

Oggi vogliamo continuare in questo impegno affinché queste vetture rimangano tali, con il loro inconfondibile suono ed il loro personale design.

Il nostro primo obiettivo è quindi quello di salvare l'originalità delle vetture che hanno scritto una pagina importante nella storia dell'auto.

Abbiamo raccolto in questo documento i prodotti che nel corso degli anni si sono dimostrati i più importanti, ma non esitate a richiederci anche particolari non elencati e sarà un piacere potere aiutarvi.

Since 1961 our company mission has been to develop and offer high-performance exhaust systems for the most prestigious Italian cars.

We are proud to work with more highest quality technicians in the auto industry.

Today we are steadfast in our commitment to continue offering our customers the unique sound and personal design that has made our company so successful throughout the years.

Our first and foremost priority is to maintain the integrity of our original product and brand.

We have listed some of our signature product inside.

Please don't hesitate to contact us for any and all your parts and service needs.
